

HARD WORK IS OUR HERITAGE.

# MADE TRUE.

SINCLAIR LUBRICANTS

**NOTHING IS MORE  
IMPORTANT THAN  
KEEPING OUR COUNTRY  
MOVING. WE'RE PROUD  
TO HELP YOU DO IT.**

Sinclair Lubricants is proud to be part of the HF Sinclair family of brands, including Sonneborn, Petro-Canada Lubricants, Red Giant Oil and HollyFrontier Specialty Products. HF Sinclair brands offer a wide range of products from heavy-duty engine oils to hydraulic fluids, transmission fluids, gear oils and greases, along with extensive distribution network across the U.S. to meet all of your product requirements.

We know what it takes to make America go. Working hard, showing up on time and being honest have taken us a long way. That's our heritage. It's how we were made.

Today, we're proud to lend our tried-and-true expertise to you through a hardworking, durable lubricants lineup meant to serve the automotive, trucking, agriculture and construction industries. Our products protect against wear and corrosion, minimize friction and resist thermal breakdown. Most of all, they help you get the job done. **Made American.**

# MADE TRUE.

# OPALINE™

## WORKING HARD TO PROTECT YOUR VEHICLE.

Sinclair Lubricants OPALINE™ passenger car motor oils are formulated to meet the latest industry specifications for all your vehicle needs across a number of engine types. These oils help protect engines from wear and corrosion and can resist thermal breakdown and sludge buildup. We help keep you on the road for longer.

## PRODUCT DETAILS

OPALINE is available in synthetic blend SAE 10W-30, 5W-30 and 5W-20 as well as synthetic 5W-30 and 0W-20 viscosity grades. They are all ILSAC GF-7A and API SQ licensed. OPALINE Synthetic 5W-30 and 0W-20 are also GM dexos®1 Gen 3 approved.

\*The dexos® specification and trademark are exclusive to General Motors, LLC.

# EXTRA DUTY™

**GOES THE EXTRA MILE —  
NO MATTER WHERE IT MAY LEAD.**

Sinclair Lubricants EXTRA DUTY™ heavy-duty diesel engine oils were created to meet the needs of a range of long-haul and off-road applications. Our oils protect against engine wear, oxidation, corrosion and deposits and provide good soot control, keeping you on the road for the long haul.

## PRODUCT DETAILS

EXTRA DUTY synthetic blend engine oils are API CK-4 licensed and are available in SAE 15W-40 and 10W-30 viscosity grades.

# DINOLENE™

## DELIVERS EVERY TIME — COME RAIN OR SHINE.

Sinclair Lubricants DINOLENE™ AW hydraulic fluids provide excellent anti-wear protection and long fluid life in industrial and mobile hydraulic systems. You've got a business to run, and we're here to help you run it smoothly and efficiently.

## PRODUCT DETAILS

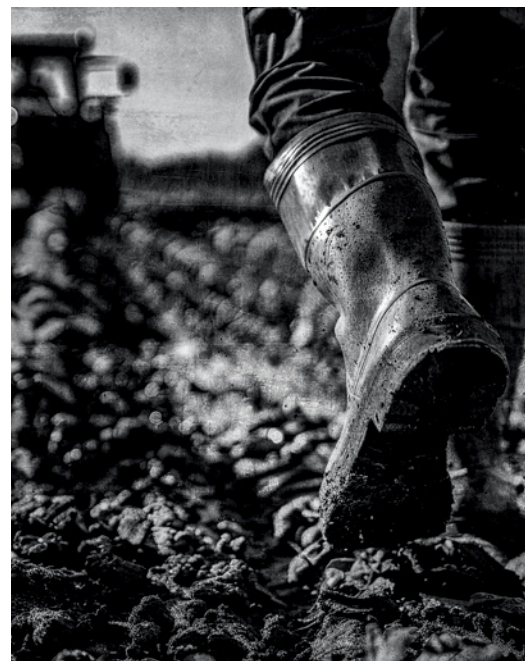

DINOLENE is recommended for both industrial and mobile applications in high-pressure pumps and hydraulic systems. It is available in ISO 32, 46 and 68 viscosity grades.

# DINOTECH™

## TAKES CARE OF BUSINESS WHEREVER THE OFFICE MAY BE.

Sinclair Lubricants DINOTECH™ Tractor Hydraulic Fluid (THF) is formulated to perform in extreme summer conditions in farm, construction and forestry applications with a common oil reservoir. It provides good wear protection, prevents fluid breakdown and delivers good friction performance to help provide smooth operation. DINOTECH helps you get the job done.

## PRODUCT DETAILS

DINOTECH THF is a multi-purpose fluid for use in equipment with a common oil reservoir for transmission, differential, final drive, hydraulic system and wet brakes. It meets John Deere JDM J20C requirements.

## WE TAKE DUTY SERIOUSLY.

SINCLAIR OIL PARTNERS WITH FOLDS OF HONOR, A  
NONPROFIT ORGANIZATION THAT PROVIDES SCHOLARSHIPS  
TO THE SPOUSES AND CHILDREN OF FALLEN OR DISABLED  
MILITARY AND FIRST RESPONDERS. AS PART OF OUR
